

WINE ADVOCATE #207 JUNE 2013 (MONICA LARNER)

Founded in 1982, Mauro Molino is a young estate that is already seeing the participation of a second generation. Father Mauro Molino works alongside his 29-year-old son Matteo and 24-year-old daughter Martina, who both caught the winemaking bug at an early age. They own 13 hectares of vines, most of which are located in the township of La Morra.
