This red is both spicy and earthy, with cherry and strawberry fruit between those two poles. Mint, tar and tobacco elements chime in as this remains firmly structured through the finish. Best from 2023 through 2043. - BS

Complex aromas and flavors of mint, eucalyptus, cherry, strawberry, iron and tar are the hallmarks of this intense red. It's juicy, with solid tannins providing support. The lengthy aftertaste echoes both savory and fruity elements. Best from 2024 through 2047. - BS
